EUREKA SANITAIRE® COMMERCIAL UPRIGHT VACUUM CLEANERS

VAC800 MODEL SC899 WITH AN EXTRA WIDE 16" CARPET NOZZEL, QUICK KLEEN®, HEADLIGHT AND POWERFUL 7.0 AMP MOTOR

This quality EUREKA SANITAIRE® heavy duty commercial upright vacuum cleaner has a 16" extra wide cleaning path carpet nozzle, a 6 position carpet height adjustment, a heavy duty top filling bag, a brilliant headlight, and a 50ft. 3 wire grounded cord. It has the Quick Kleen® removable clear fan chamber for easy, cleaning & changing. It also has the Vibra-Groomer™ chrome/steel ball bearing brush roll with replacable bristle strips, a wide protective vinyl bumper on the Chrome Steel motor hood & a lifetime lubricated 7.0 Amp motor.

VAC804 VEUREKA SANITAIRE® MODEL SC785 LIGHT WEIGHT, FOLDING MULTI-PRO WITH ON-BOARD ATTACHMENTS

Weighing in at just over 13 pounds, this new lightweight Sanitaire is packed full of heavyweight features. Like a commercial grade two-motor system complete with interlock reset for brush roll motor protection. Its three-position on/off switch lets you select bare floors or carpets with fingertip ease. A built-in performance indicator signals when bag needs changing or when a loss of cleaning performance is detected. And its two-stage micron filtration keeps clean air coming out. Dirt & allergens stay in. For convenient storage and even more versatile performance, the Multi-Pro folds down to only 28.5 inches. 12" width, Automatic carpet position adjustment & on-board dusting brush & two extension wands/ extension hose.

VAC801 EUREKA SANITAIRE®, MODEL SC4570 TRUE HEPA WITH ON-BOARD ATTACHMENTS

This quality EUREKA SANITAIRE® heavy duty-dual motor commercial upright vacuum cleaner has a 7 position carpet height adjustment, a full bag indicator, a hepa filter which captures 99.9% of particles as small as 3 microns and a 50ft. 3 wire grounded cord. It also has a precision ball bearing brush roll, a 15" cleaning path, and a direct air flow system that has a metal automatic attachment which converts from floor to ceiling cleaning automatically.

VAC805 EUREKA SANITAIRE® 9 AMP 'MIGHTY MIGHT' CANISTER VACUUM

Compact, full size canister vacuum. Complete floor-to-ceiling cleaning attachment set. Carpet nozzle with dual edge cleaning. Triple filtration bag system. Easy bag change. Large dustbag capacity. Innovative wheel design for stability. Large carrying handle. Blower port. Weight: Cleaner only: 8 lbs. 14 oz.. Hose & attachments: 1 lb. 13 oz. Dimensions: Height: (cleaner on wheels) 11" x Width: 8" x Length: 15". Construction: Sturdy ABS (both cleaner & handle). Cord: 20" attached. Hose: 7' extra long, durable crush resistant hose with suction control. Dust bag: Disposable paper bag, style MM, 60295. Switch: Single speed, finger or toe activated Motor: 9.0 AMP motor, lifetime lubricated. Color Plum.

VAC802 EUREKA SANITAIRE® MODEL SC4580 TRUE HEPA WITH ON-BOARD ATTACHMENTS & CLEAR 'CYCLON ACTION' DUST CUP

This quality EUREKA SANITAIRE® heavy duty-dual motor commercial upright vacuum cleaner has all the same features of the SC4570, but requires not dust bags. The clear dust cup with cyclonic action lets you see when to empty it.

VAC803 EUREKA SANITAIRE® MODEL SC679 POWERFUL 6.5 AMP

This quality EUREKA SANITAIRE® heavy duty commercial upright vacuum cleaner has a 4 position carpet height adjustment, a heavy duty top filling bag, and a 30ft. 3 wire grounded cord. It also has a wide protective vinyl bumper on the Lexan motor hood & a lifetime lubricated, 5 Amp motor.

VAC806 EUREKA SANITAIRE® 10 AMP 'MIGHTY MIGHT' CANISTER VACUUM

The Eureka Mighty Mite has set the industry standard for small, straight suction canister cleaning since 1982. Award winning, lightweight, versatile and perfect for the popular new bare floors. 6-piece onboard attachments. True HEPA sealed filtration. Large capacity, easy-change Filteraire dust bag. Large carrying handle. 20' cord.

EUREKA SANITAIRE® COMMERCIAL UPRIGHT VACUUM CLEANERS (CONT.)

VAC807 MODEL SC684 POWERFUL 6.5 AMP

This quality EUREKA SANITAIRE® heavy duty commercial upright vacuum cleaner has a 6 position carpet height adjustment, a heavy duty top filling bag, and a 50ft. 3 wire grounded cord. It also has the Vibra-Groomer™ chrome/steel ball bearing brush roll with replacable bristle strips, a wide protective vinyl bumper on the Lexan motor hood & a lifetime lubricated 6.5 Amp motor.

VAC809 MODEL SC887 WITH QUICK KLEEN E-Z KLEEN® AND A POWERFUL 7.0 AMP MOTOR

This quality EUREKA SANITAIRE® heavy duty commercial upright vacuum cleaner has a 6 position carpet height adjustment, a heavy duty top filling bag, and a 50ft. 3 wire grounded cord. It has the Quick Kleen® removable clear fan chamber & the E-Z Kleen dust cup assembly for easy, cleaning & changing. It also has the Vibra-Groomer 110 chrome/steel ball bearing brush roll with replacable bristle strips, a wide protective vinyl bumper on the Chrome Steel motor hood & a lifetime lubricated 7.0 Amp motor.

VAC808 MODEL SC886 WITH QUICK KLEEN® AND A POWERFUL 7.0 AMP MOTOR

This quality EUREKA SANITAIRE® heavy duty commercial upright vacuum cleaner has a 6 position carpet height adjustment, a heavy duty top filling bag, and a 50ft. 3 wire grounded cord. It has the Quick Kleen® removable clear fan chamber for easy, cleaning & changing. It also has the Vibra-Groomer™ chrome/steel ball bearing brush roll with replacable bristle strips, a wide protective vinyl bumper on the Chrome Steel motor hood & a lifetime lubricated 7.0 Amp motor.

VAC810 MODEL SC888 WITH QUICK KLEEN® A HEADLIGHT AND A POWERFUL 7.0 AMP MOTOR

This quality EUREKA SANITAIRE® heavy duty commercial upright vacuum cleaner has a 6 position carpet height adjustment, a heavy duty top filling bag, a brilliant headlight, and a 50ft. 3 wire grounded cord. It has the Quick Kleen® removable clear fan chamber for easy, cleaning & changing. It also has the Vibra-Groomer 10 chrome/ steel ball bearing brush roll with replacable bristle strips, a wide protective vinyl bumper on the Chrome Steel motor hood & a lifetime lubricated 7.0 Amp motor.

EUREKA® 'THE BOSS' LITE CORDLESS VACUUM CLEANER

VAC811 MODEL 96A 2-MOTOR RECHARGABLE CARPET & FLOOR VACUUM

This convenient EUREKA 10 amp 2 motor cordless vacuum cleaner has a 29" steel handle with deluxe vinyl grip, 3 rechargeable nickel cadmium batteries which provide 15 minutes of running time and a bare floor/carpet selector. It has a no-paper-bag-needed dust cup. The wall mounted charging stand stores unit while recharging. Handle is removeable for use as a hand-held vacuum cleaner.

PANASONIC UPRIGHT VACUUMS

VAC812 Panasonic Vacuum Commercial MC-V5504

9 Amp Capped Commercial Motor. Motor Protection System for Durable Use. 50 Foot Commercial Cord. Bypass Valve - Prevents Motor Damage. 12" Cleaning Path, Micron Filtration System. Automatic Height Adjustment Carpet and Rug Institute approved

VAC813 Panasonic Vacuum Commercial MC-V225

10 Amp Capped Commercial Motor, Motor Protection service for Durable Use, Tools-On-Board with Stretch Hose for above Floor Cleaning, 50 foot commercial cord, Bypass Valve - Prevents Motor Damage, 14 Inch Cleaning Path with Belt Guard, Hepa Filter, 4 Position Height Adjustment, Carpet and Rug Institute Approved

WINDSOR COMMERCIAL UPRIGHT VACUUM CLEANERS

VAC814 Sensor® XP

New and Improved - Now with 41% more cleaning power. Larger 1.6 hp vacuum motor pulls even more dirt from the carpet. High efficiency filtration traps 99% of contaminants down to 0.3 microns for improved indoor air quality. Ultra-light handle weight increases operator comfort and productivity. On-board tools and extension wand make Sensor XP the perfect detail cleaning machine. Available in 12, 15, and 18 inch cleaning widths to handle any need productively.

VAC817 Versamatic® (VS)

The Versamatic is the #1 selling commercial 2-motor upright vacuum and offers superior vacuuming results in a unique, labor-saving design. Powerful 1,000 watt motor picks up more dirt in a single pass. Pull-out hose and on-board accessory tools simplify detail cleaning. 3-year warranty on vacuum motor, brush motor and belt. Available in 14 inch and 18 inch models. Electronic control system maintains consistent motor speed and torque to eliminate premature brush, bearing and belt replacement. Versamatic's track record of dependability and cleaning performance have made it the most popular 2-motor upright in the industry.

VAC815 Sensor® S

Power, Reliability, Value - with 41% more cleaning power. Larger 1.6 hp vacuum motor pulls even more dirt from the carpet. High efficiency filtration traps 99.6% of contaminants down to 0.3 microns for improved indoor air quality. Ultra-light handle weight increases operator comfort and productivity. On-board tools and extension wand make Sensor S the perfect detail cleaning machine. Available in 12 and 15 inch cleaning widths to handle any need productively.

VAC818 Versamatic® Plus

The new standard for cleaning performance and reliability. Powerful 1,000 watt motor picks up more dirt in a single pass. Pull-out wand with handle and on-board accessory tools increase efficiency of detail cleaning. Electronic control system maintains consistent motor speed and torque to eliminate premature brush, bearing and belt replacement. Same durability and reliability that made the original Versamatic the most popular 2-motor upright in the industry.

VAC816 Flexamatic™

The newest generation of vacuums from Windsor, Flexamatic™ provides maximum power with superior maneuverability. At only 15 lbs., Flexamatic is up to five pounds lighter than comparable dual motor uprights. This much power has never been so simple to control. Powerful dual motor upright vacuum. Lightweight, 15 lb. design. Innovative, articulating head for superior maneuverability. Ergonomic carrying handle for easy transport. Patented filtration system - large surface area, high efficiency to .3 microns. Available in 12 and 15 inch cleaning widths.

VAC819 Windsor Wave® 28" Wide Area Vacuum

High productivity, wide-area vacuuming. Enclosed bag design and four-stage filtration improves indoor air quality. A built-in brush suspension system gives consistent contact, even on irregular surfaces. Handle adjusts to fit any operator and folds for compact storage. Attached wand and on-board accessory tools. Wave is powered by (2) 1.1 HP (802 watt) vacuum motors with 224 cfm airflow. A 0.25 HP brush motor drives a 28 inch sweeping broom. Quiet operation with 72 dBA at the operator.

BACK PACK VACUUMS

VAC820 ULTIMATE Backpack 10 Quart Portable Vacuum

11 pound, lightweight backpack is ergonomically and comfortably designed. 10 quart bag capacity. 61 dBA quiet system means extra operator comfort. High airflow at 120 cfm gives fastest pickups of heaviest trash and soils. Reliable 1.5 HP, 110V, 2-stage motor with power from a 50 foot long safety cord. Heavy-duty paper Micro Bag lasts longer and stays stronger under heavy use. 1 year warranty on motor.

VAC821 Vac Pac™ Portable Back Vacuum

Clean faster with more comfort. Choice of six or ten quart sizes. Vac Pac's lightweight and comfort-designed harness system makes the job easier. Quiet Operation prevents disruptive cleaning. Rugged construction and simple design increases durability. Power switch is mounted on the hip for easy reach. 1.7 hp (1295 watts). Includes Wand, floor, upholstery, dusting and crevice tools.

WET/DRY CANNISTER VACUUM

VAC822 ULTIMATE Wet/Dry Tank Vacuum **6, 9,12, and 20 Gallon Sizes**

Powerful, durable vacuums for wet or dry pickup. 1.75 HP Ametek® motor delivers 115-125 cfm airflow. When you need highest airflow for the heaviest vacuuming tasks, order the model with twin, 1 HP motors. Easy to clean HDPE cover gives quick motor access. 50 foot long, 16/3 safety power cord. Includes chromed wand and 8 foot long flexible vacuum hose. 1 year warranty on motor and chassis.

VAC823 Titan™ Wet Dry

Titan vacuums combine power and durability for productive wet or dry pickup. All Titans feature powerful 1.5 hp vacuum motors and rugged construction to provide years of dependable operation. Available in 8, 16, and 20 gallon sizes for productive use in any area. Titan16 and 20 gallon sizes offer the added convenience of an optional squeegee attachment for faster large area wet pick-up. Every titan wet/dry vacuum comes standard with an eight-piece tool kit to increase cleaning versatility.

CARPET EXTRACTORS

MCE800 ULTIMATE Extractor **12 Gallon Portable Carpet Extractor**

This is the contractor's choice for fast extraction of large carpets, upholstery and partitions. 12 gallon solution and recovery tanks. 25 foot long extractor and solution hoses lets you clean up to 600 sq.ft. without moving the extractor. Strong steel wand holds 9 inch vacuum head with jet spray head. 1 year warranty.

MCE801 Admiral™ 8

Powerful, high speed carpet cleaning. Windsor's Admiral 8 increases your productivity with features that make your job easier. Adjustable handle with easy-to-use, fingertip controls for superior maneuverability and operator comfort. Brush setting easily adjusts to eight cleaning positions for maximum performance. No-hose design makes it simple to fill and empty. Optional hard floor cleaning kit increases versatility and value

MCE802 Cadet™ 7

Unmatched value in an easy-to-use, self-contained carpet extractor. Easy-to-use controls reduce operator fatigue. No-hose design makes it simple to fill and empty. Floating vacuum shoe follows the contour of the carpet for superior recovery. Quick-connect ports for fast and easy accessory attachment

MCE803 Clipper™ 12

Restore your dirtiest carpets with powerful efficiency. Brush setting easily adjusts to eight cleaning positions for maximum performance. No-hose design makes it simple to fill and empty. Floating vacuum shoe follows the contour of the carpet for superior recovery. Optional hard floor cleaning kit increases versatility and value.

MCE804 Commodore™ 20

The most value per gallon capacity in the industry. Performance breakthroughs and ergonomics create a carpet extractor that maximizes operator productivity. Cleans up to 8000 sq. ft. per hour for increased productivity. Exceptional maneuverability and compact design makes it easy to operate in small areas. Unique Penetrator™ vacuum shoe design provides superior recovery. Easy to use controls reduce training time

MCE805 Dominator™ 100

Power and tank capacity at an affordable price. Large 17 gallon solution capacity increases productivity. Compact size for ease of transport and maneuverability. 100 PSI pump for maximum performance. Optional Pro Heater™ and Pro Spray™ increase cleaning versatility

MCE806 Dominator™ 250

Versatility and value in a portable extractor. The Dominator 250 includes an internal heater for increased productivity. Large 17 gallon solution capacity increases productivity. Compact size for ease of transport and maneuverability. 250 psi pump for maximum performance. Simple to use fill port can be filled by bucket or hose.

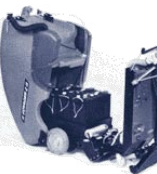

MCE807 Ensign™ 50

Small, portable extractor ideal for carpet, upholstery, and partition cleaning. Compact, portable design for hard to reach areas. 6 gallon capacity increases productivity. Fold-over handle for easy transport and storage. Optional Pro Heater™ and Pro Spray™ for maximum performance

MCE808 Expert™

The Expert extractor is ideal for cleaning smaller carpeted areas with its compact, self-contained design that's simple to operate. Unique no-hose design. Recovery tank lifts off machine for easy emptying and rinsing. Floating brush with automatic height adjustment ensures consistent results. Handle is fully adjustable for operator comfort. Handle folds over machine for compact storage and easy transport

MCE809 Voyager™ 2

The ultimate in large area carpet cleaning productivity and value. All components are easily accessible for service with its convenient flip over tank. Weighted vac shoe swivels to follow cleaning path for more thorough recovery. Self-propelled with variable speed control offers a full range of cleaning performance. Adjustable brush height maximizes cleaning efficiency on any type of carpet. Can be used with a variety of accessory tools to clean upholstery, stairs, or other hard-to-reach areas

MCE810 Voyager™ E

The ultimate in large area carpet cleaning productivity and value. 40 gallon solution capacity allows non-stop operation for a full hour between refills. 23 inch cleaning path cleans about 8100 square feet per hour. All-in-one trigger simplifies use and training. Cord-electric power allows continuous operation hour after hour with no loss of power

ULTIMATE BURNISHERS

Renegade 1.5 HP Burnisher

MBN800 1500 RPM 19" MBN801 1500 RPM 21"
MBN802 2000 RPM 19" MBN803 2000 RPM 21"

The Renegade burnisher is built with the same quality and safety features as **ULTIMATE** buffers. Burnishers are powered by a 1.5 HP, D/C rectified motor, so low voltage and startup torque problems are eliminated. A high-balance chassis, moving on 6 inch operating wheels gives super polishing results. Separate 4 inch non-marking transport wheels prevent tracking of soils between jobs. Designed with a low-profile apron to reach under counters, coves and beds. Tip up for easy pad mounting. 5 year motor warranty.

BATTERY POWERED BURNISHERS

MBN804 LIGHTNING 20" BATTERY BURNISHER

Windsor's LIGHTNING 20 offers Battery-powered conveniences with dust control. It provides excellent results with easy operation. The LIGHTNING 20 features convenient, cord-free operation with the added labor-savings of a passive dust control system. Pad pressure indicator with electronic and mechanical control. Traction Drive model provides machine speeds up to 230 feet per minute.

ONYX PROPANE BURNISHERS

MBN805 Propane-Powered Stripper / Stripbuff Combo

Select an 11 HP or 13 HP Honda engine to provide reliable power under the heaviest loads. Select a 21" StripBuff or 24" Stripper size. Aggressive stripping with single or Tri-Strip nylon grit brush spinning at 500 RPM. Designed for highest productivity

MBN806 Propane-Powered ONYX Tri-Strip

Select a Kawasaki or Honda engine with a 12 volt starter. Aggressive stripping with a carbon impregnated nylon brushes spinning at 330 RPM Triple brush design and splash guard keeps stripping solution under the machine. 24" and 27" sizes. Safe and comfortable operation

MBN805 Propane-Powered Stripper / Stripbuff Combo

Select a 13 HP or 17 HP Kawasaki v-twin engine or a Honda 13 HP engine for reliable power under heaviest loads. 24" pads spin at 2000 RPM. Easy pad mounting with harpoon hook grip face pad driver. Super-clean catalytic converter for high air quality

MBN807 Propane-Powered High Speed Burnisher

Four engine choices - Kawasaki 13 HP and 17 HP v-twin engine, or Honda 11 HP and 13 HP engine. Steady brush RPM's under heaviest loads. 21" and 27" sizes. Rugged cast aluminum alloy housing with powder-coated finish Select battery start or 110 volt stat. Adjustable head pressure

ULTIMATE FLOOR MACHINES

ULTIMATE Floor Machines

ULTIMATE offers a complete line of floor machines for the range of your facilities and floor care tasks.

All **ULTIMATE** machines are built with the same quality and reliability. Dual triggers and a safety interlock on the switchbox prevent unexpected startups. Handle positions are fully adjustable. An all metal chassis gives added weight for faster results. Non-marking bumpers protect walls and baseboards. High torque transmissions handle the toughest jobs. 6 inch transport wheels provide easy movement between jobs. 5 year warranty on motor and gearbox.

Trooper 1.5 HP, 175/300 RPM Dual speed lets you shift from low speed scrubbing to higher speed polishing with a flip of a switch.

UFM800 17" UFM801 19" UFM802 21"

Silver Bullet 1 HP, 175 RPM for lighter scrubbing and buffing,

UFM803 15" UFM804 17" UFM805 19" UFM806 21"

Chief 1.5 HP, 175 RPM for heavier duty jobs.

UFM807 15" UFM808 17" UFM809 19" UFM8010 21"

NCL STONE CARE SOLUTIONS

UFM8011 STONE BLAZER™

Ultimate Duty Stone Restoration Machine

Designed for the unique, rugged needs of the commercial stone floor maintenance market. The STONE BLAZER™ Ultimate Duty Stone Restoration Machine features a fan-cooled, completely enclosed 1.5 horse power motor that resists dust and moisture penetration and is ideal for use in harsh conditions such as marble or granite maintenance. With a steel welded frame an added weight capacity of up to 220 Lbs., this 17" versatile unit can be used for cleaning, crystallization, wet polishing or diamond grinding of marble, granite, limestone, concrete, terrazzo, and other stone surfaces. Equipped with performance and convenience in mind, STONE BLAZER is ready for all stone maintenance tasks...right out of the box!

PORTABLE AIRFLOW MACHINES

UFM8012 ULTIMATE 3/4 HP, 3-Speed Air Mover

A 3/4 HP, 3-speed motor gives ample power for drying surfaces and moving musty air. Balanced, lightweight unit moves easily and aims your air stream at floors, carpets, curtains, walls, or ceilings. Air intake and outlet screens keep airflow free of debris and protects hands from powerful fan blades. UL listed, 25 foot long, 16/3 ga. safety cord with grounded plug. 1 year warranty.
