# MAKING A POSITIVE

## A Tradition Of Excellence

USI Services Group has been in business for nearly a hundred years, and many of our customer relationships have endured for decades. With more than 7,000 employees in 32 states, we have the expertise and experience to effectively handle our client's requirements. Our relationships include the nation's largest retailers, malls, and office buildings, as well as leading entertainment and sports venues, hotels, casinos, educational institutions and corporations. Not only is Ultimate Sanitary a part of USI Services Group, But USI Services Group uses our products everyday across the United States.

## A Single-Source Supplier

Whether your needs are sparkling facilities, well-maintained floors, or clean environments. Today's facility managers need quality cost-effective cleaning supplies, reliable equipment, and paper products to help them maintain a safe environment for employees, customers, and other visitors. Let Ultimate Sanitary Supply be your single source for all of your sanitary supply needs.

## People Make The Difference

At **ULTIMATE SANITARY SUPPLY**, we carry the highest quality products from the nation's leading manufacturers. But when speaking of building maintenance, it's about more than products, it's about service. Only well-trained, thoroughly motivated, and carefully supervised employees can ensure that you receive the appropriate level of service that you demand. This will ensure a consistently well-maintained facility.

Our employees are quite simply the best in the business. We have one of the lowest turnover rates in the field, and many of our people have been with us for several decades. We can extend our knowledge to offer your employees in-depth, ongoing training, to better service your facility.

We maintain a lean and highly responsive management structure that results in consistent supervision and communication. We have a structured reporting system that keeps Ultimate Sanitary Supply and our clients fully informed at all times. This will minimize

unexpected developments. The result: Consistently motivated employees and reliable products. Above all, a continuous high level of client satisfaction – every day, week after week, year after year.

## The Ultimate Sanitary Supply Advantage
